PRESIDENT MOUL: Senator Withem.

SENATOR WITHEM: Yes, Madam President, and members of the body, Bryan... Omaha Bryan High School is a high school within the Omaha Public School system, is located within my legislative district. Because Sarpy County is a relatively fast growing area, we've had lots of development in that area in what is a comparatively short time span. Omaha Bryan High School is celebrating its 25th anniversary as an institution of learning within the Omaha Public School system on this Sunday. This resolution simply congratulates, congratulates Omaha Bryan for its excellent work in educating young people for those 25 years, offers the Legislature's congratulations; also stipulates there will be a time capsule ceremony. A copy of this resolution will be placed in a... in a time capsule. Given the quality of a lot of our work in here, probably the public would like to see more of our work put in time capsules instead of being enacted, but this particular resolution will be part of the ceremony and I ask my colleagues to join me in congratulating Omaha Bryan High School for its 25th anniversary.
